Introduction:-----

This report is designed to answer the top questions that consumers have about an area they are considering. 'What is the unemployment rate?' 'Are there many children in the community?' 'How much growth will this area see in the coming years?' etc. We begin with providing key highlights of the community: more in-depth information is provided in subsequent sections. Information has been synthesized from a number of sources, including the Census Bureau, Bureau of Labor Statistics, Department of Education, and a variety of proprietary databases. If you have questions about these terms, a glossary is provided at the end of this report.

Cost of Living:

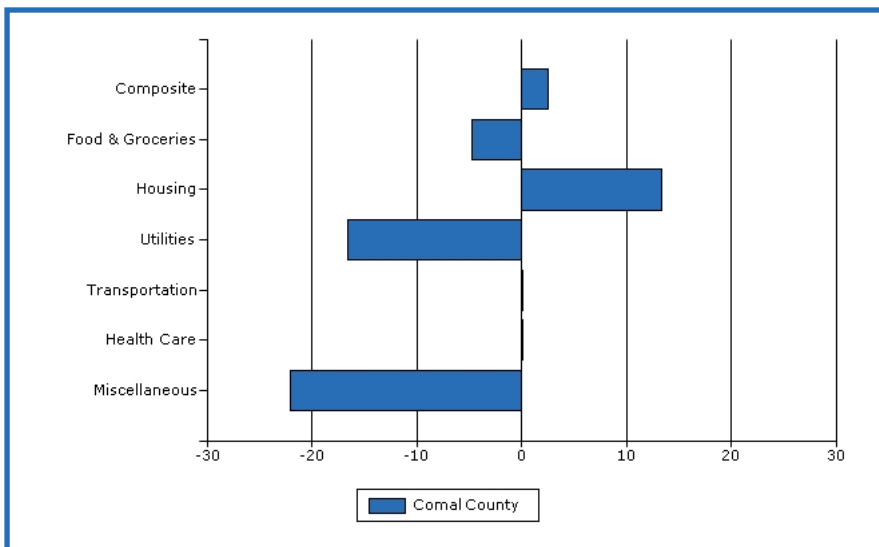

Monthly Expenditures

Food & Groceries:	\$446
Housing:	\$929
Utilities:	\$195
Transportation:	\$293
Health Care:	\$146
Misc:	\$752
Taxes:*	\$1,167

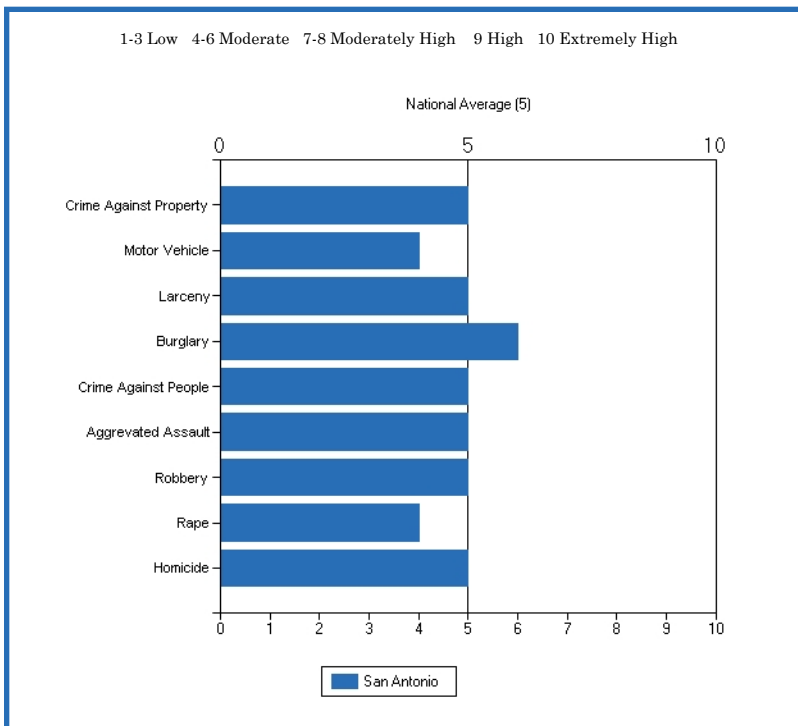

These figures assume a federal tax rate of 28% based on a salary of \$50,000

Many families are surprised by the cost of daily necessities after moving to a new area. When considering relocation, it is important to understand how expensive items such as utilities, food and healthcare services are. This section of the report reflects the costs associated with living in the community profiled, and compares it against the national standard of living.

On the graph below, the National Average is set at zero. As a result, items greater than zero are higher than the National Average and items less than zero are below the National Average.

Crime and Safety:

We all like to feel that our homes, families, and property are safe. For this reason, Military One Source has compiled a crime rating for your proposed area. This section has specific crime rates for the zip code, and compares these numbers to the national average which is five for all categories.

A score of two ('2') means that the overall risk of crime in the designated zip code is 'Low', well below the average. Conversely, a score of seven ('7') is moderately High and should be considered above the average risk factor.
